

INTERNATIONAL CONFERENCE ON APPLICATION FRAMEWORKS

AUGUST 2021

INTRODUCTION

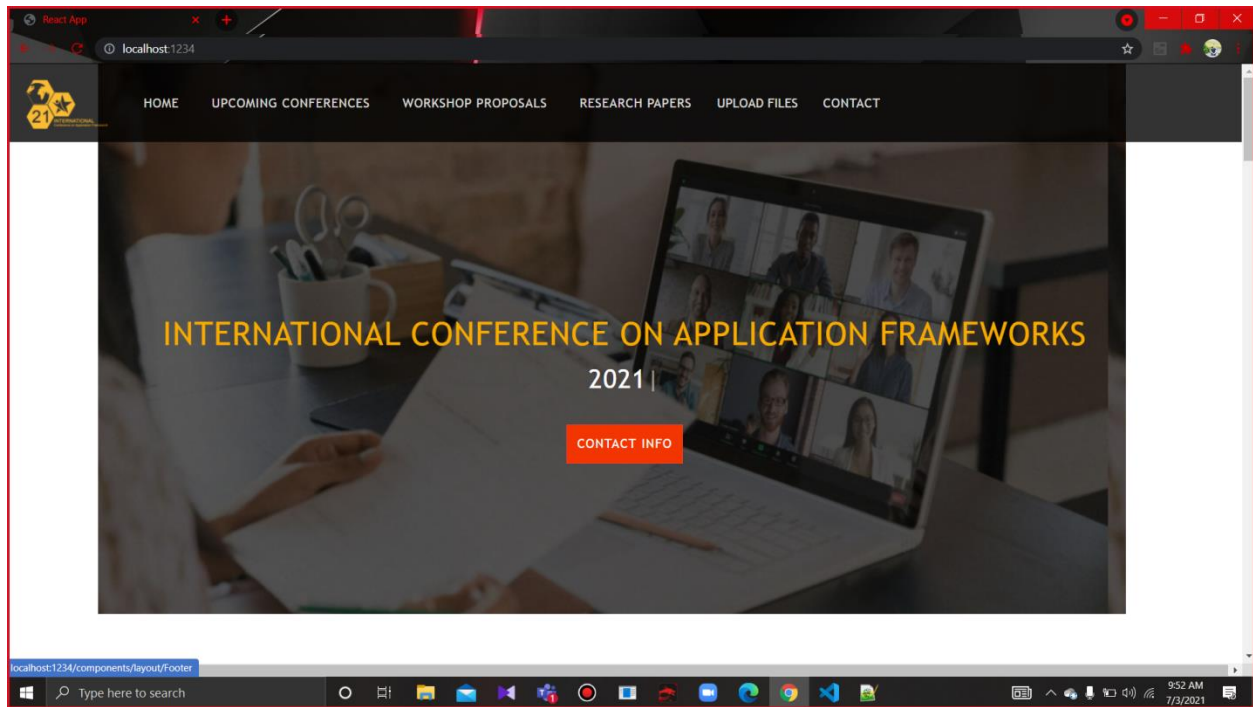

‘ICAF - International Conference on Application Framework’ is a conference management tool which is used by SLIIT for organizing an academic conference where researches present results, workshops and other activities.

There are roles as Admin, Editor, Reviewer, Workshop conductor, Researcher and Attendee. Except Attendee, only registered participants can attend the event .If Attendee wants to attend to a conference then only they should register to the application. All roles can register to the system by adding name, phone number and email. If register is successful it prompts a message as “Register Successfully” and redirect to the login page. If the registering is unsuccessful it displays an error message as “Unsuccessful. Please re-enter the details”. In login page after adding the email, system verifies it. If the verification is passing then it prompts “Login Successfully”. Otherwise it display error message as “Recheck and re-enter the email.
